6. The Secretary Bar Council is directed to upload/publish the final Electoral Rolls on its official website on 2nd January 2026.
7. The Bar Council of India has communicated a letter dated 23.12.2025, extract of which, qua nomination form, reads as under: -

“Clarification on whether seats are reserved and the manner of nomination

Women candidates shall file nominations in the same manner as all other candidates and shall contest on the common field of candidates. No separate electoral roll, class of voters, or separate nomination category is contemplated for women, and the election process remains under the direct supervision and control of the High-Powered Election Committee.

State Bar Councils are advised to avoid describing these seats as a separate reserved electoral category in a manner that suggests a separate election or a separate electorate. The preferred expression for notifications is that a specified minimum number of elected seats shall be secured for women candidates as part of the women elected component, and that the co-option component shall be fulfilled in accordance with the mechanism approved or directed by the Hon’ble Supreme court and subject to the High-Powered Election Committee’s supervision.”

8. Accordingly, the Committee has decided that there would be only one nomination form for men/women candidates. However, there would be a column in the common nomination form for women candidates indicating/opting to contest against 5 reserved seats to be filled up by direct election.
